**Welfare Fund Activities
(Extraordinary Contributions to Commemorate the 130th Anniversary)**

Nissan Chemical Group has been conducting welfare fund activities since 1997 as part of its contribution activities to the local community. This activity has been undertaken through a gift-matching system in which the company adds the same amount of the contributions generously made by its employees. The purpose of this activity is, among other things, to support welfare organizations and contribute to the protection and beautification of the environment.

FY2017 is the 20th anniversary of the Welfare Fund, the group made extraordinary contributions in three districts: Toyama, Sanyo Onoda (Yamaguchi Prefecture), and Saitama as one of the events commemorating the 130th anniversary of Nissan Chemical's foundation. The donation was approximately ¥28 million worth of goods, including welfare vehicles, to support facilities for persons with disabilities, special nursing homes for the aged.

The group positively promote the community-oriented activities that contribute to society continuously.
