

For Immediate Release

March 22, 2011

### **Impact of the March 11 Earthquake on our Operations**

We express our deepest sympathy to all those affected by the Tohoku Pacific Offshore Earthquake.

As of today, we have confirmed the safety of all employees of Nissan Chemical Group companies. Our plants and branch offices suffered no serious damages and all production facilities are now in usual operation.

The financial impact of the earthquake is unknown at the moment. If any major impact is expected, we will release the details accordingly.
