To whom it may concern

Exhibition announcement: COMPAMED 2019

Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo, Japan; President: Kojiro Kinoshita) announces that we will be exhibiting for the first time at "COMPAMED 2019" (International Medical Device Technology and Parts Exhibition) held in Düsseldorf, Germany from November 18 to 21, 2019. COMPAMED, which takes place annually at the MEDICA trade fair, is the leading international market place for the medical supplier sector and product development.

■ Exhibits

AQUAJOINT®

AQUAJOINT® is a stretchable hydrogel formed by mixing two liquids at room temperature. Water-soluble components in this product can form a gel when the product is left at room temperature after mixing the two types of water solutions. Various components are added to this solution to fulfill the customer's need.

■ Exhibition details

Date: November 18-21, 2019

Venue: Düsseldorf Trade Fair, Germany (Hall 8b / N15)
