**Selected as a Constituent of FTSE4Good Index Series and  
FTSE Blossom Japan Index**

Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo; President: KINOSHITA Kojiro) announces that we were selected as a constituent of FTSE4Good Index Series and FTSE Blossom Japan Index which are developed for the socially responsible investments.

Created by the global index and data provider FTSE Russell, the FTSE4Good Index Series is designed to measure the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices. The FTSE4Good indexes are used by a wide variety of market participants to create and assess responsible investment funds and other products.

The FTSE Blossom Japan Index is designed as an industry neutral benchmark that reflects the performance of companies demonstrating strong ESG practices in Japan.

FTSE Russell evaluations are based on performance in areas such as Corporate Governance, Health & Safety, Anti-Corruption and Climate Change. Companies included in the FTSE4Good Index Series and the FTSE Blossom Japan Index meet a variety of environmental, social and governance criteria. FTSE Blossom Japan Index is adopted by the Government Pension Investment Fund (GPIF) as one of the indices utilized for making ESG investments.

Based on our corporate philosophy "We contribute to society in harmony with the environment based on our excellent technologies, products and services", we will contribute to the sustainable development of society by further enhancing and strengthening our ESG initiatives through our business activities.
