Establishment of a Semiconductor Materials Production Plant in Korea

NCK Co., Ltd. (Pyeongtaek-si, Gyeonggi-do, KOREA hereinafter "NCK") a group company of Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo, Japan; President and Chief Executive Officer; YAGI Shinsuke, hereafter "Nissan Chemical ") has signed a Memorandum of Understanding (MOU) with Chungcheongnam-do and Dangjin-si regarding the renting of the land in the Dangin-si Songsan 2 Industrial Complex, dated April 29, 2021.

The demand for semiconductor is increasing worldwide due to the penetration of 5G (next generation mobile communication systems) and remote working, and the spread of EV (electric vehicles).

Nissan Chemical and NCK will establish a new plant in the newly rented Songsan 2 Industrial Complex in order to strengthen the supply system for semiconductor materials.
