To whom it may concern

**Temporary Suspension of Nitric Acid Production at Toyama Factory (1)**

Production of our nitric acid plant at Toyama Factory (635 Sasakura, Fuchu-machi, Toyama) has been temporarily suspended as an equipment malfunction since April 25. We extend our sincere apologies for any inconvenience and concern to our business partners and will do our utmost for earliest restoration.

The current situation is as follows,

1.Place of Occurrence

Production equipment of nitric acid plant at Toyama Factory

2.Date and time of occurrence

Around 10:15 a.m. on April 25

3. Schedule to resume production

We will make announcement once the schedule of the restoration is fixed.

4. Orders and Deliveries

We have suspended orders since April 26 and deliveries since May 10.

5. Impact on business performance

Currently under investigation
