**Selected as “Health & Productivity Management Outstanding Organizations
~ White 500~” for Seven Consecutive Years**

Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo; President: YAGI Shinsuke) announces that we were selected as Health & Productivity Management Outstanding Organizations ~ White 500 ~” for Seven Consecutive Years.

The Certified Health & Productivity Management Outstanding Organizations Recognition Program is a system in which the Ministry of Economy, Trade and Industry (METI) and the Nippon Kenko Kaigil, which consists of leaders of the economic associations, medical-care associations, and municipalities, jointly recognize outstanding organizations engaging in efforts for health and productivity management. The top 500 in comprehensive evaluation of Health & Productivity Management Outstanding Organizations under the large enterprise category are recognized as “White 500”

In 2018, we established the Basic Health Policy and are implementing measures with "lifestyle-related diseases" and "mental health care" as main areas of the policy.

Based on the belief that employees' health is a "foundation that supports sound corporate growth", we will work to promote initiatives aimed at maintaining and promoting employee health and aim to be a dynamic company.
