## Selected as “Health & Productivity Management Outstanding Organizations ~ White 500~” for Ten Consecutive Years

Nissan Chemical Corporation (Headquarter: Tokyo Japan, Representative Director, President: YAGI Shinsuke) announces that we were selected as Health & Productivity Management Outstanding Organizations ~ White 500 ~” for Ten Consecutive Years.

The Certified Health & Productivity Management Outstanding Organizations Recognition Program is a system in which the Ministry of Economy, Trade and Industry (METI) and the Nippon Kenko Kaigi, which consists of leaders of the economic associations, medical-care associations, and municipalities, jointly recognize outstanding organizations engaging in efforts for health and productivity management. The top 500 in comprehensive evaluation of Health & Productivity Management Outstanding Organizations under the large enterprise category are recognized as “White 500”

We have established the Basic Health Policy and are implementing various measures in three key areas: lifestyle-related diseases, mental health care, and the work environment and workstyle.

We believe that mental and physical health are the foundation that support the happiness of employees and their families, as well as the realization of our corporate philosophy and sustainable growth. Together with our employees, we promote initiatives to maintain and improve health, aiming to become a vibrant company where employees find fulfillment and purpose in both their work and personal lives.
