Selected as a Constituent of the Dow Jones Best-in-Class Asia Pacific Index (DJBICI Asia Pacific) for Eight Consecutive Years

Nissan Chemical Corporation (Head Office: Chuo-ku, Tokyo; President: YAGI Shinsuke) announces that it has been selected as a constituent of the “Dow Jones Best-in-Class Asia Pacific Index” for eight consecutive years, which is the Asia-Pacific regional index of the “Dow Jones Best-in-Class Indices” (renamed from the “Dow Jones Sustainability Indices” (DJSI) in 2025, hereinafter referred to as DJBICI), a globally recognized benchmark for socially responsible investment.

DJBICI is a stock index jointly developed by S&P Dow Jones Indices in the United States and RobecoSAM, a Swiss investment management advisory firm, to select corporates with excellent sustainability in the view point of "economics", "environment" and "society".

"DJBICI Asia Pacific" is targeting major companies in the Asia-Pacific region and 162 companies (76 companies from Japan) were selected from about 600 companies in this year.

Based on our corporate philosophy "Contribute to the protection of the global environment and the existence/development of humanity, offering the value sought by society" we will contribute to the sustainable development of society by further enhancing and strengthening our ESG initiatives through our business activities.
